Homework Lab Permission Form

The following form must be filled out in order for your CMHS student to take advantage of free after-school tutoring and computer use.

Please print!

Student's Full Name:_____ Grade:_____

Street Address:_____ Town/Zip_____

Parent/Guardian Name:_____

Parent Home Phone:_____ Parent Work/Cell Phone:_____

Parent E-mail Address:_____

What is Homework Lab?

Homework Lab is an after-school tutorial session that students may attend on a daily basis to get extra assistance in a specific subject area, use computers for research or to write papers, work on projects with classmates, or to just have a quiet place to read and study. There are four classrooms that cater to different subject areas including math, English, science, social studies, world languages, special education, and writing skills. All classrooms are staffed by certified teachers.

Why Do I Need to Enroll My Student?

Homework Lab is paid for by the 21st Century Grant, which provides academic, recreational, and general enrichment programming for students who attend schools that have failed to meet Adequate Yearly Progress (AYP). Although all students are eligible to attend Homework Lab, the Illinois State Board of Education requires that all students who participate in 21st Century programs be enrolled for tracking purposes. ***Having all participating students enrolled helps guarantee that our funding for Homework Lab and other 21st Century after-school programs will continue from year to year***.

Homework Lab Rules

1. Students must have their school ID properly displayed.
2. Students must arrive by 2:30pm, or they will be denied entry.
3. Students must have something to work on or to quietly study.
4. Students who are removed from Homework Lab for behavioral reasons will be barred from Homework Lab for up to two weeks. If the student is again removed from Homework Lab during the same quarter, s/he will be barred from Homework Lab for the remainder of that quarter.
5. Students may not use electronic devices, including cell phones, during Homework Lab. Students must ask a tutor permission to use a phone to call for a ride home.
6. All school rules are applied and should be followed, including no food or drink and the technology use policy (no Facebook, YouTube, etc.)

Transportation

Homework Lab is held Monday through Thursday every week from 2:30-3:45pm (unless cancellations or time changes are announced). Transportation is available on the 3:50pm activity buses that transport to the four district communities. Students must request a one-day bus pass from a Homework Lab tutor in order to ride the 3:50pm bus. Students who do not have a ride home will be escorted to their buses by a Homework Lab supervisor.

***Note:** students who leave before the end of Homework Lab must check out with a tutor or the 21st Century Grant Coordinator.

Photography

I give the 21st Century Grant permission to use photographs of my child in the Homework Lab setting for promotional purposes within the scope of 21st Century after-school programs and materials.

_____
(Initial here)

Agreement to Adhere to Program Policies and Expectations

I have read and understood all Homework Lab and 21st Century after-school program policies and expectations that have been laid out for my child.

I understand that all Crete-Monee High School rules and regulations are in effect during after-school hours, and that disciplinary action may be taken if my child does not abide by these rules and the rules of Homework Lab.

I give my child permission to attend Homework Lab after school.
