## **Bilingual Parent Advisory Committee (BPAC)**

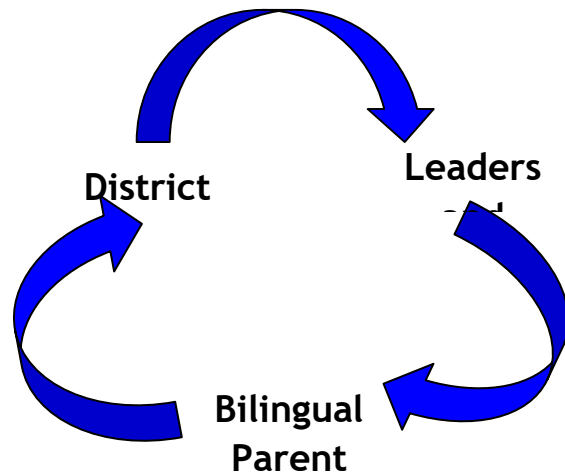

**Crete Monee School  
District 201-U**

1500 Sangamon Street, Crete, IL 60417

## Mission:

To be an organization that represents the interests and needs of the bilingual community in the Crete-Monee School District 201-U through active participation in the educational process of our students and decision making that will have an impact in the education our children receive.

## Legal Framework ISBE 23 Article 228.30 of Illinois School Code states:

Following the State regulations, each district with a bilingual program shall establish a parent advisory committee consisting of:

1. parents and/ or legal guardians
2. ELL teachers
3. counselors
4. community leaders

This committee participates in the planning, operation, and evaluation of programs. The majority of the committee members are parents or legal guardians of students enrolled in these programs. The members of this committee represent the languages served in the ELL program to the extent possible.

## Objectives of the BPAC team:

- Establish a clear and collaborative voice between the bilingual community of the ELL program and Crete-Monee District 201-U.
- Promote and encourage respectful parental participation in educational academic programs for our children.
- Promote parent training so they can support their children with school work.
- Conduct a bilingual program network that promotes and supports cultural events.
- Collaborate with other parent organizations (PTO) or school teams in supporting students.
